Re: Freeconference.com, Inc./Iotum Inc.  
Amendment to Section 214 Application  
WC Docket No. 12-329

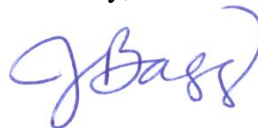

Dear Ms. Dortch:

Pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, Freeconference.com, Inc. ("Freeconference.com") and Iotum Inc. ("Iotum") (collectively "Applicants") hereby notify the Federal Communications Commission ("Commission") of a change in the description of the Section 214 application submitted to the Commission by the Applicants on October 24, 2012 and supplemented on November 16, 2012 (the "Application").

Due to a change in the structure of the transaction, the description of the Application should be changed from a transfer of control to an acquisition of assets. Under this modified structure, substantially all of the assets of Freeconference.com's subsidiary Global Conference Partners ("GCP") will be sold to Iotum Global Holdings Inc., a wholly-owned subsidiary of Iotum organized under the laws of Delaware, pursuant to the terms of an asset purchase agreement between GCP and Iotum (the "Transaction"). Upon consummation of the Transaction, Iotum Global Holdings Inc. will change its name to "Global Conference Partners," and will continue to offer services to GCP's customers on the same rates, terms and conditions they receive today. The ultimate transferee, Iotum, will remain the same, as described in the Application.

Please contact me should you have additional questions.

Sincerely,

Jennifer P. Bagg
